The South Coast Daylight Express

Due December 2017/February 2018

After the enthusiastic reception of Casula's Set 108, the Caves Express, we are continuing the series with another coloured set, Set 109 South Coast Daylight Express in original green and cream (1949-1959), Tuscan and russet (1959-1965) and Indian red 1965-1983).

These premium quality, ready to run cars will be feature correct to prototype details, including 2SB bogies, movable end diaphragms, close coupling, interior compartments and seating and correct colour schemes.

Quantities are limited and the green and cream South Coast Daylight Express set will NOT be re-run.

CR AND EHO

In addition, for your branchline services we are producing the very useful CR composite car (Tuscan and russet and Indian red) and the Mansard-roof EHO Tuscan red and Indian red). These will be available in a two-pack, one of each type in matching colour schemes.
