NSWGR Rivetted WT Water Tank

Expected delivery May/June 2018

CASULA HOBBIES is proud to announce the forthcoming production of the NSWGR Rivetted WT Water Tank.

These 7000 gallon bogie water gins were used throughout the system as auxiliary tanks for locomotives in arid areas and in groups to supply country towns and settlements. They were also used in way and works service to supply fettlers camps and weedicide trains.

PRE-ORDER FORM NSWGR RIVETTED WT WATER TANK
